SECTION: PROPERTY

TITLE: FACILITIES PLANNING

ADOPTED: October 14, 1991

REVISED:

701. FACILITIES PLANNING	
<p>1. Purpose Title 22 Sec. 5.151</p>	<p>Long range planning is desirable and is required by State Board of Education regulations. Community involvement is an important part of such a process. Facilities planning is a primary component of long range planning.</p>
<p>2. Authority SC 1351</p>	<p>The Board shall annually, between March 1 and September 1, conduct a census of all the children from birth to eighteen (18) years living in the district. The Board will contract for services and employ as many enumerators as may be necessary for that purpose.</p> <p>Information gathered in the census shall include for each child the name and address of his/her parents or guardians, the name and location of the school in which the child is or could be assigned, the name and address of any employer of a child under eighteen (18), the child's name, date of birth, age, sex, nationality, address, and such other information as the Board may require to operate the district efficiently and fairly.</p>
<p>3. Delegation of Responsibility Title 22 Sec. 5.151</p>	<p>In order to inform the Board of the future needs of the district, the Superintendent shall, as needed:</p> <ol style="list-style-type: none"> 1. Prepare a written description of existing physical facilities. 2. Annually report to the Board on the number of live births, number of resident pupils attending private school by grades, and number of new residential units approved or planned. 3. Report to the Board on the enrollment by grades during the school year. 4. Estimate each spring the number of students who will be enrolled in the schools of the district in September of the year for which the estimate is made.

<p>Title 22</p> <p>4. Guidelines SC 3157 P.L. 94-142 45 CFR 84 Title 22 Sec. 21.41</p> <p>School Code 1351, 3157</p> <p>PA Code Title 22 Sec. 5.151, 21.41</p> <p>Federal Regulations P.L. 94-142 45 CFR 84</p>	<p>Prepare student population projections and compare the actual population figures to the previously projected figures to detect early any changes in population trends for the benefit of the Board.</p> <p>In planning for the enlargement or modification of its facilities, the Board shall consider not only the number of children whose educational needs must be met, but also the physical requirements of the program it deems best suited to meet those needs.</p> <p>Each school building and site shall provide suitable accommodations to carry out the educational program of the school, including provision for the handicapped, pursuant to law and regulation.</p>
