Annual Recertification of Safety Committee was completed. We received our certificate of completion from the PA Dept of Labor and Industry, Bureau of Pennsafe.

The safety and security manual is progressing and they are hoping completion will be ready for the 2012-2013 school year.

There will be more training scheduled in the near future to better inform staff at all buildings on what should be done if there ever is an incident that occurs and the buildings main point of contact is not in and/or available.

90 – 95% of all District staff has received their NIMS training.

There will be an active shooter training scheduled in the near future that will mimic an armed person involved in a child abduction. This will be held at two of our elementary schools; all district staff is recommended to attend.

There was 1 workers compensation claim filed, medically only. For the fiscal year so far, our claims are down, however the dollar amount has been higher, simply because of the nature of the claims filed, but overall we are doing very well.

Next scheduled meeting will be held in the Conference Room at Kunkel on March 14th at 9:30 AM, a building tour will immediately follow the meeting.
